WHY GHSC?

1 MAKE A DIFFERENCE
Beyond the in-depth training provided, interns are included on client teams immediately, providing unique opportunities to learn more about your skill set and your interests while helping team members with critical workloads and making a difference to our clients.

2 HAVE FUN
We run many social events, outings, intern-specialized events, and employee networks. Having fun in the work you do comes from being a part of a client team and contributing to its success.

3 BE ON THE CUTTING EDGE OF HEALTH CARE REFORM
We partner with states and the federal government on implementing this program.
