

# MERCER GOVERNMENT HUMAN SERVICES CONSULTING

Mercer Government Human Services Consulting specializes in assisting government-sponsored programs in becoming more efficient purchasers of health services. Mercer brings a team of consultants, clinicians, actuaries, policy specialists, and accountants to a project to ensure a coordinated approach to the administrative, operational, actuarial and financial components of public-sponsored health and welfare programs.

-  **ACTUARIAL** — developing and reviewing rates, setting policy and methodology for future rate setting, assisting in managed care procurements, and performing a range of financial and actuarial analyses including risk adjustment.
-  **BEHAVIORAL HEALTH** — assisting with program design, policy, procurement, implementation, and evaluation of substance abuse and mental health programs.
-  **CLINICAL QUALITY** — implementing unique strategies to improve program performance, contain costs, and enhance quality of care and services.
-  **INFORMATICS** — assisting in the interpretation and evaluation of detailed claims/encounter data, including data analysis and enhancement.
-  **LONG-TERM CARE** — developing alternative, high-quality solutions to meet the needs of Medicaid members and dual eligibles in the most cost-effective setting.
-  **PHARMACY MANAGEMENT** — designing and implementing effective pharmacy management programs.
-  **POLICY** — providing technical assistance and consultation on federal and state rules and regulations that guide the design, approval, operations, and evaluation of Medicaid, CHIP, Medicare, and Exchanges.
-  **REPORTING AND MONITORING** — developing comprehensive reporting and monitoring systems and assessing health plan financial efficiency.
-  **UNINSURED** — partnering with states on health care reform initiatives, and assisting in the design, development, and pricing of strategies to reduce the numbers of uninsured.
