

MERCER GOVERNMENT HUMAN SERVICES CONSULTING (GHSC) RECRUITING FACT SHEET

We specialize in assisting government-sponsored programs in becoming more efficient purchasers of health services. We bring the best critical thinkers forward in helping our clients address their issues.

WHO WE ARE

Part of Mercer, GHSC offers its expertise within a small business atmosphere:

Our college graduates have majors in math, business, stats, accounting, economics, public health, and more. 🎓

Over **200** specialized employees – with the support of Mercer’s over **20,000** and our parent Marsh & McLennan Companies’ **53,000**.

Our staff includes consultants, clinicians, actuaries, policy specialists, accountants, psychologists, nurses, pharmacists, and technology specialists.

OUR CLIENTS

Over 30 states and the federal government. Agencies include:

- PUBLIC HEALTH
- CHIP PROGRAMS
- SOCIAL AND REHAB SERVICES
- LONG-TERM LIVING
- HEALTH CARE FINANCE
- JOB AND FAMILY SERVICES
- HEALTH AND HUMAN SERVICES
- MEDICARE AND MEDICAID
- PUBLIC WELFARE

WHY GHSC?

1 MAKE A DIFFERENCE

Beyond the in-depth training provided, new employees are included on client teams immediately, providing unique opportunities to learn more while helping team members with critical work loads and making a difference to our clients.

2 HAVE FUN

We run many social and new-hire events, outings, and employee networks. Having fun in the work you do comes from being a part of a client team and contributing to its success.

3 BE ON THE CUTTING EDGE OF HEALTH CARE REFORM

We partner with states and the federal government on implementing this program.
